

The Sheepdog is not just a PROTECTOR: He/she is also a PROVIDER.

The Harvest House is located in Burleson, Texas, and for many years, they have provided basic necessities, spiritual encouragement, education, and care to individuals and families in their community by following Biblical principles.

They help families break the cycle of hopelessness by providing resources that assist in restoring their dignity and independence.

Below is a list of items that Harvest House can use for their **Summer Food Program** (many kids who are out of school for summer suffer food shortages while at home).

Please bring as many of these items as you can, all of which will be donated to the Harvest House.

- canned Ravioli or Spaghetti's
- macaroni and cheese
- fruit/pudding cups
- breakfast cereal bars
- fruit snacks

Thank you!
